STATEMENT OF SIGNIFICANCE

OLD NATIONAL PIKE: First federally funded highway, 18...  
 Since the late 18th century the general path of the Old National Pike has been a major route west from Baltimore; consequently, going through a number of changes, the most drastic of which was the construction of U. S. 40. Several segments of the original 1830 highway remain, paved and repaved, with the inns and towns that it made possible, intermittently entwined with modern roads. The milestones and inns are on the National Register.
